

Car Make Up

Bardahl Car Make Up prevents all kinds of materials from becoming dull, matte or brittle, which is caused by external influences, such as sun, rain, air pollution, etc. In addition, the formation of cracks in rubber and plastic materials is prevented. It protects, repairs and renews rubber, vinyl, leather, plastic, lacquer, plexiglass, formica and many other materials.

Properties

- Safe to use
- Non-toxic
- Non-flammable
- Non-corrosive
- Easy to use

Manual

Distribute with a soft cloth or sponge on a clean surface. Leave to act for some time and lightly rub with a soft cloth. For optimal protection and shine, repeat the treatment.

Bardahl Car Make Up brings an interior back to life.
