

## Racing Black

**Bardahl Racing Black** is a high-quality, fast-drying paint. It ensures that all types of surfaces get a new look. Dries in minutes into an attractive sustainable film.

After spraying, a hard, well-covering base forms that offers good resistance to rust.

### Properties

---

- For indoors and outdoors
- Quick drying
- Long service life
- Anti-corrosion

### Manual

---

Remove rust and dirt from the parts to be treated. Cover the non-sprayable surface with paper. Shake the **bus Bardahl Racing Black** well. Spray at room temperature at a distance of 30-40cm. Spray in thin layers. After use, turn the can and spray until only gas escapes, this cleans the spray head. This spray can is filled with environmentally friendly gas.
