

ATF Special MB134

Bardahl ATF Special MB134 is a synthetic gearbox oil for Mercedes Benz NAG-V sports transmissions and automatic gearboxes with 5 and 7 gears. Due to its versatility, the oil is also extremely suitable in other applications as mentioned below.

With an extensive additive package, the following properties are achieved:

- High protection against oxidation and aging
- Excellent low temperature properties
- Very good cooling properties
- Very stable gearbox oil

Application

Bardahl ATF Special MB134 has been specially developed for the generation automatic, electronically controlled gearboxes with 7 gears. That means if Mercedes Benz specification 236.14 prescribes. This automatic gearbox oil is likewise recommended in automatic transmissions of Mercedes Benz with 4 and 5 gears.

It is also recommended for:

- 7G-Tronic transmissions model 722.9/ W7A 700/ NAG-2
- 5-speed automatics model 722.6/ W5A 580/ NAG-1.
- Previous types of automatic gearboxes with 4-5 gears model 722.3, 722.4, 722.5 except 5-speed gearboxes of front wheel drive model 722.7/ FAG of the Mercedes Benz car types A-class and Vaneo.

Specifications

MB - 236.14
