

Glass Cleaner

Bardahl Glass Cleaner provides a clear vision. It cleans car windows, mirrors, and headlights. Also, think of glass objects in the house or office. For example, a glass salon – or dining table, toilet mirrors, etc. It removes lipstick, grease, insects, and other contaminants. **Bardahl Glass Cleaner** also cleans objects from chrome and enameled surfaces. It leaves no residue and is safe for rubber and paint.

If it is sprayed on a surface, the product has a foaming effect so that it does not quickly run off from sloping or vertical glass.

Guidance for use

Put the nozzle in the "on" position and spray with the vial at about 30cm. Of the surface to be cleaned. After that, dry the surface with a dry cloth or paper.
